## Hat Usage Data

In this section of the page, we have a nice table with some data from a survey conducted in 2013 as published in the paper '[A study on Hat User Habits and Their perception of the Product Form](#)'. The table below is styled with the bootstrap classes `table-striped`, `table-hover`, and the `table-primary` applied to the table header `thead`. Some rows in the table also use the `colspan` control. Note, the table also includes a caption and is constrained to 10 columns on wider screens and all 12 columns on small screens (i.e., `col-md-10 col-12 mx-auto`).

Item	Male	Female	Total
Do you usually wear a hat? (Often wearing a hat)			
Yes	11	10	21
No	21	12	33
How often do you clean your hat? (frequency of hat washing)
