🧢 dKinCaps   Introduction Data Pictures Stories Summary

dKin Caps

A young and inspiring organisation whose primary purpose is to bring you the highest quality headwear available.

Introduction

This is the simple page that shows a number of bootstrap components and the styles they provide to enhance plain HTML content - while also supporting a responsive display (screen resizing).

Firstly, at the top of the page, within a `<header>..</header>` section, it is common to have the **navigation** and some form of **banner / heading** content. Here we have a list using the Bootstrap `<nav>...</nav>` component in a container with five links to diferent parts of the webpage, with a blue (`bg-primary`)background and white (`text-white`) text. While a second `container-fluid` with a light blue (`bg-primary-subtle`) holds the **banner** details in a centred column of width 8 (`col-sm-8 mx-auto text-center py-5`) and comprising a title of the page and leading sentence.

Next is the `<body>...</body>` section that holds the **content** of the page. The content includes the folowing sections: Introduction (this), Data, Pictures, Stories and a Summary, The table content is formatted, while the pictures and stories of ice creams applies differing responsive layouts.
